Join your neighbours at the Hammersmith Mall Residents' Association AGM and help shape the Mall's future.

DEAR NEIGHBOURS,

You are all warmly invited to our AGM in a few weeks' time.

For those who may not remember, HAMRA was established 16 years ago by Andrew Alers-Hankey to preserve the environment and amenities of Hammersmith Mall, from Millers Court up to Hammersmith Bridge.

Over the years it has been instrumental in fighting key planning issues and making sure our voice is heard at the council.

Looking ahead, we would like to be more proactive about shaping our environment, rather than just responding to issues as they arise, and to engage our community much more.

ON THE NIGHT

- 01** Shape our riverside, not just react to it
- 02** Debate how to engage the whole community
- 03** Guest speaker **Sophi Tranchell**, talking about the proposed 'William Morris river wall mural'
- 04** Step up: committee roles open to members
- 05** Join us after the AGM for a drink and a chance to meet fellow residents

Please do come along and join our community.

WHEN **Wednesday 11 November 2026 at 7pm**

WHERE **Corinthian Sailing Club**

Linden House, Upper Mall, London W6 9TA
